Brittany-

I don't know exactly where to capture these issues in the IP, if at all, but here are the legal issues thus far that we've identified that CRFLO will assist with:

**Ex. 5 AC/DP**

Hi Mary-

Yes, I think at this time those are type of comments that would be helpful. I am looking for your thoughts on whether the path as written appears to be logical.

Brittany-

I see that most of the deadlines you had in draft IP were for week of 4/10 and HDOA's response came in on 4/13. I imagine the dates in the IP are shifting since our next internal meeting is on May 3<sup>rd</sup>.

Should we still be reviewing & commenting your draft IP? Other than the dates which have all passed, there really isn't much substance to comment on. Do you want us to comment on the proposed generic path from step 4 forward?

# Ex. 5 AC/DP

Adam &/or I can take a closer look if what you are looking for are comments like those.

Thanks, Mary

Please review the attached draft IP. I plan to schedule a call next week to walk through the IP and discuss any potential comments. Thanks!
